Riverview ATV Park Closed to Public until Further Notice

KEWAUNEE, WI – The Kewaunee County Promotions & Recreation Department has delayed the opening of Riverview ATV Park, which typically happens in the beginning of May until the end of the month or once the “Safer at Home Order” is lifted by the State, due to COVID-19 concerns as well as wet trail conditions.

The off-road recreational vehicle park allows for the use of ATVs, UTVs and dirt bikes. It is not only popular amongst locals, but out of county residents as well.

“Aside from Kewaunee County residents using Riverview ATV Park, we see a lot of riders from neighboring counties and while we would like to open sooner, it’s just safer for everyone that we delay the start of the season,” said Dave Myers, Director of Kewaunee County Promotions & Recreation Department. “A benefit to this is also giving the trails time to dry out and allowing the Baylake ATV Club, our not for profit friends group, more time to groom and prepare the park for the season.”
